Coding Camp
4 sessions at 90 minutes per session

Keiki Coding: Code 3 Heroes!

This summer *Twiddle Productions Inc*. is partnering with *Code 3 Angels* in California to create and launch a new exciting *Keiki Coding* program titled *Code 3 Heroes.* Our special summer program teaches kids how to code and create amazing games while also learning about health, safety and first aid! Registered students will also be able to keep their coding books when class ends!

Students will learn the following:
- The fundamentals of coding.
- How to create characters, animations, sounds and special effects.
- Build skills to design and code video games that can be played with friends and family.
- Learn and understand problem solving logic and computational skills.

Keiki Coding: Code 3 Heroes is powered by Scratch which was designed by MIT and is designed for students of all experience levels.
