PRINCIPAL ARAKAKI'S MESSAGE

Dear Pauoa Ohana,

March madness (quarter 3 ends and spring break) is upon us already. How quickly this year is going by. Quarter 3 ends on March 11. Students are currently finishing diagnostic 3 on iReady. Our students and teachers are working extremely hard in the classroom and you too families are working really hard at home. I thank you very much for partnering with us. This strong partnership is showing in our students progress in learning. Spring Break is from March 14 to 18. No school during this week. Please enjoy the time off with your child/children. School will resume on March 21 with quarter 4. We are at the home stretch everyone.

March also marks the end of the Geographic Exception period. If you know of anyone wanting to attend Pauoa Elementary, please have him or her complete the Geographic Exception form. Also, if you know of any child that will be the age of 5 by July 31st, please have them register for Kindergarten at our school if they are in our home district. If not, the family will need to get a Geographic Exception from their home school in order to register at Pauoa.

PRINCIPAL ARAKAKI'S MESSAGE

Lastly, be on the lookout for our last school community meeting for the year. This meeting will occur on Tuesday, March 8 at 5:30 pm via Google Meet. At this meeting, you will learn about the success we have been having this school year, the use of our technology in the classroom, and what the future will look like at Pauoa Elementary. You will be given the opportunity to give feedback via a Google form. Please use this opportunity to give your feedback on how we are doing, how we can grow and how you can help. Stay safe everyone by wearing your mask, social distancing and sanitizing.

Aloha,

Dale Arakaki, Principal

It's almost Spring!

Our 3rd quarter is quickly coming to a close and Spring Break will be here soon. Our students are working hard and learning new things with each new day. We got our routines down in the classroom and it is nice to see when students help each other out throughout the day. We have some exciting activities coming up that we can't wait to share with you all!

Reminders:

- Read to your child daily
- Homework due end of the week
- Check your child's Take Home Folder for any flyers or paperwork that needs to be filled out

Thank you,
Ms. S

Aloha Kindergarten Families!

Mahalo to every member of the Pauoa Ohana for making our Virtual Fitness Challenge a memorable event! What a great way to stay active and show Pauoa Pride! We realize how busy our families are and appreciate the continued commitment to ensure the successes of your amazing children. Thank you to all community members for the hard work everyone demonstrates daily! As we wrap up our third quarter together this month and finish our school year strong, the Kindergarten Team would like to thank everyone for their support and dedication! Keep it up Kindergartners, we are so proud of you!

Happy TWOSDAY 2/22/22!

Hello first grade families,

The 3rd quarter is coming to an end and finals are just around the corner. Your children have been working very hard. We are happy to see all the progress they have made so far this year! We have been working really hard practicing all the skills we are learning.

We would like to do a take home "sounds project" which will be a part of their engineering grade for quarter 3. A letter with details about this project will be sent home before Spring Break. Over Spring Break please have your child (if accessible) work on iReady math and reading. Please also continue to have your child read at home for at least 15 minutes a day.

Thank you for your continued support and have a great break!

Mahalo,
First Grade Teachers

Aloha 3rd Grade families!

And just like that...March is here! Here's what we will be working on this month! In reading we are continuing reading Informational texts, focusing on using illustrations to gain information and comparing & contrasting two texts. In math we will be focusing on subtraction using the standard algorithm, and comparing common fractions. Please continue to have your child practice multiplication & division flashcards at home.

As a reminder, this quarter we are continuing our Smarter Balanced Assessment (SBA) preparation. If you have time at home please visit the website and do the practice smarter balanced assessments with your child. This will help your child be even more prepared for the assessment that is coming up at the end of the school year. Here is the website:

https://login9.cloud1.tds.airast.org/student/V377/Pages/LoginShell.aspx?c=Hawaii_PT&a=Student

We will also post the link on ClassDojo for easier access. Please contact your child's teacher if you have any questions. Thank you so much! ☺

Grade 4: Ms. Chung (B8), Mrs. Chanhboursy (B9), Mrs. Takesue (B10)

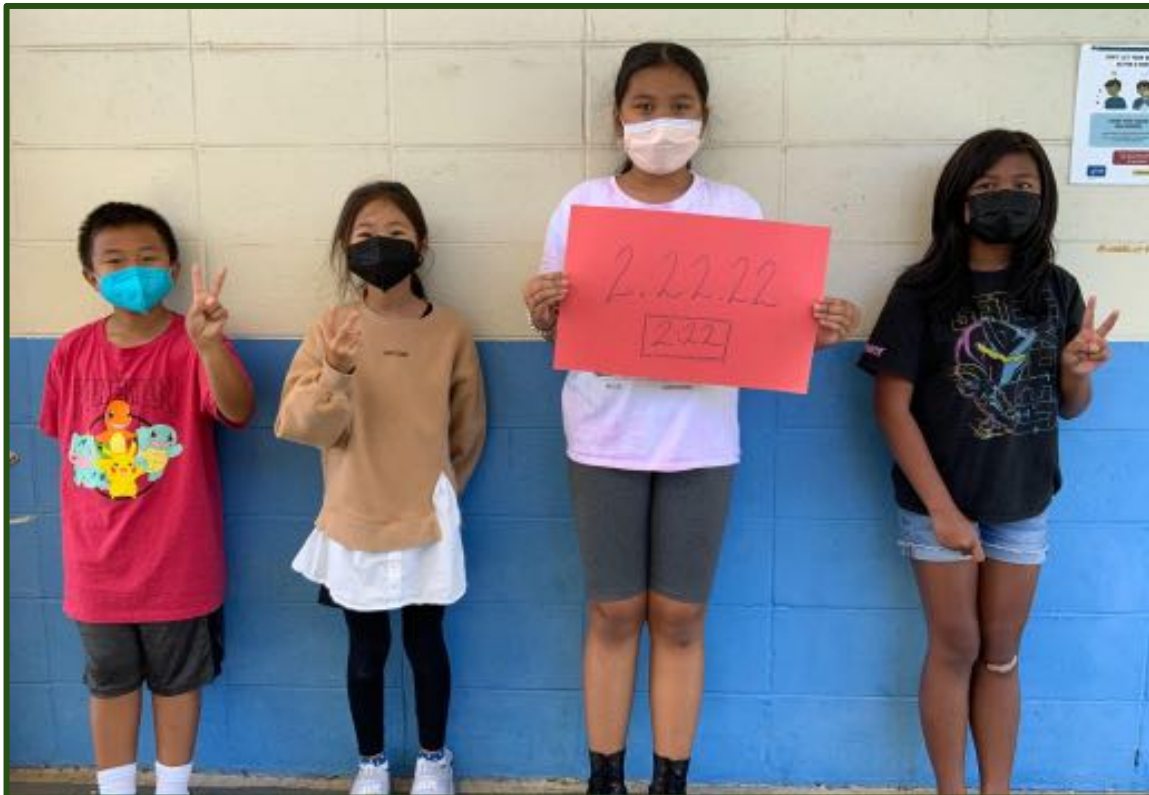

Aloha 4th Grade Families,

During the first week of March, our fourth graders will be completing the last of three iReady reading and math diagnostic tests for the year. They have all set and are working towards meeting their individual goals. Please check in with your child about reaching their goal after testing is done.

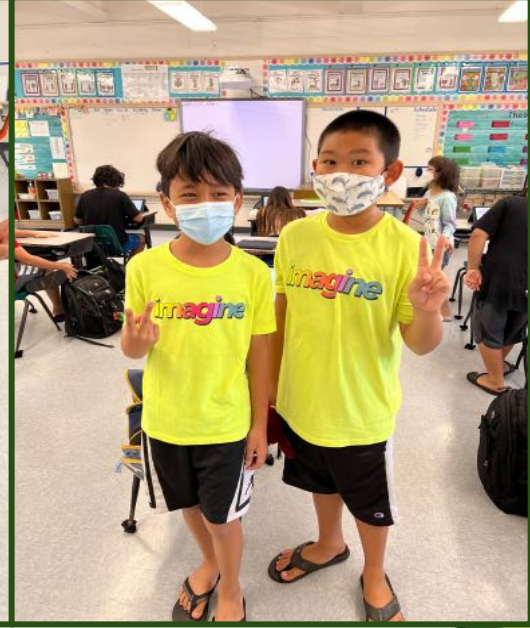

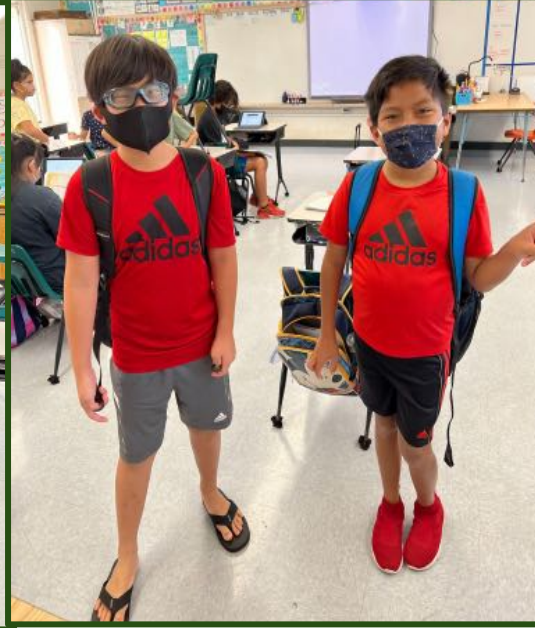

It will be a busy month, as we continue to work hard to prepare for the annual Standards Based Assessment (SBA) which will be administered in April. To prepare at home, please continue to have your child consistently read 20 minutes, and complete iReady and other assigned homework. Also, we highly encourage your child to complete the [Smarter Balanced Practice & Training tests](#). This will provide students with the opportunity to familiarize themselves with the navigational tools and to practice sample questions. Thank you for your continued partnership.

Happy 2S Day 2/22/22!

GRADE LEVEL NEWS

Grade 5: Ms. Luong (C8), Mrs. Takahashi (C9), Mrs. Oliveira (C10)

Congratulations! The 5th graders have completed the first round of NGSS (Science) state testing. Everyone tried their best and will get another chance to improve their scores in April or May. In addition, the Hawaii State Assessment (SBA) in Reading and Math will begin mid-April. The third and final i-Ready diagnostic is right around the corner.

Please be sure to encourage your child to remain steadfast with their learning mindset, completing all classwork and homework assignments with quality, and continue to have a positive attitude. The teachers are striving to prepare students to be independent in their academic skills, work habits, and actively engaged in their learning. This is essential for achieving success as they transition into middle school.

Please have a safe and restful Spring Break. Let's be ready to return to school rejuvenated in order to endure the challenges during the fourth and final quarter.

Dear Parents

March will be roaring like a lion and exiting like a limb. The months are going by quickly. We will be going on spring break in a few weeks. Remember to have your child complete IReady math and reading on a daily basis. During the break, I will also be sending students some reading stories that can only be accessed during the school day through getepic.com. Our class code is sjj2776. Please have your child read and complete the quiz if one is provided.

Staff of B2

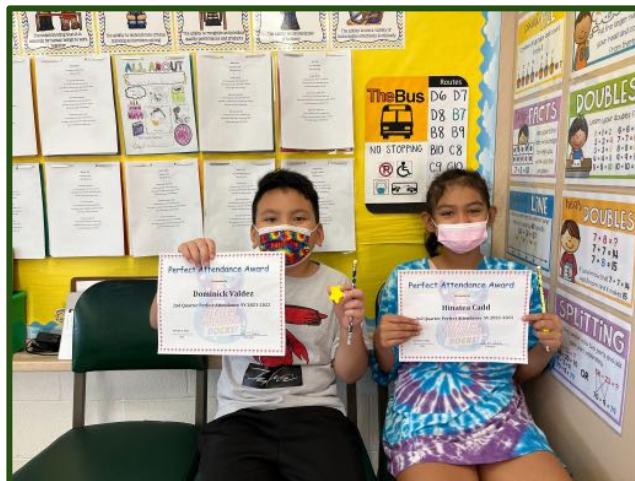

Resource Room: Ms. Oyama, Teachers Grades 4-5 (B7)

Aloha B7 Families,

Last month we celebrated Valentine's Day by making a book of poetry about Pauoa! Students are also now drafting their personal narrative writing. In math, we are working on connecting multiplication to division and working with operations on fractions. Students continue to collaborate as a group in different review games for OG phonics and math.

Homework and classwork assignments continue to be posted daily in Google Classroom. Remember to bring all supplies and a water bottle to school every day! Please let me know if you have any questions.

Mahalo,
Ms. Oyama

SUPPORT STAFF

Title I & Curriculum Coordinator: Ms. Nakamura

Happy March everyone,

Pauoa's Reading Committee has been hard at work planning for events and activities to promote the love of reading. During this first week of March, guest readers came to the cafeteria to read stories to students as they ate their lunch. Students listened to stories and used their imaginations to visualize what was going on in the story. The committee also created a Kudoboard for our Pauoa Ohana to share their favorite book and/or author. When you have a chance, please visit the Kudoboard, <https://www.kudoboard.com/boards/L0UrfAML>. You can look at what others are reading, get ideas for your next book, and add your favorite book to the board!

A last reminder for the **School Quality Survey, SQS**. Parents, if you haven't done so already, please give your anonymous feedback. The questions cover topics such as the safety and well-being of your child and your satisfaction and your involvement/engagement with the school. Your feedback is important to us as it will help us to improve. Here is the link:

<https://www.surveymonkey.com/r/2022SOSParent>

Or, here is the QR code:

The **deadline** for the survey is **March 11, 2022**.

Thank you for your support!

SPECIALS

Social Emotional Learning SEL Teacher: Mrs. Fong

Aloha Parents,

We are continuing to discuss our emotions/feelings in grades K-2 in S.E.L. classes. If students have strong emotions, there are ways to calm themselves down. One example is to do belly breaths: put their hands on their belly, stop and name what he/she is feeling and take deep breaths in and out. In grades 3-5, we continue to discuss being kind, show compassion towards each other and manage our emotions.

Have a wonderful spring break!

Mahalo,
Mrs. Fong

Afterschool Art Class– Session 1

In our afterschool art, session 1(Nov. - Jan.) with grades 3-5, the students helped to complete a mural on the library wall which was started two years ago. Due to the pandemic, we were not able to complete the mural until this school year. Thank you after school art students!! Awesome job!!

Mahalo,
Mr. Uetake & Mrs. Fong

SPECIALS

Technology Coordinator/Computer Science: Mr. Sutherland

Aloha Pauoa,

As we near the final months of the school year, the 4th and 5th grade students will be using their new coding skills to program our Micro:bit controllers and work with our Robotics program with CoderZ. Kindergarten through 3rd grade are continuing their work on code.org in preparation for their 4th quarter projects. Please continue to support your child's interest in computer science!

Thank you,
Mr. Sutherland
