

Ka Pilina No'eau II Parent Workshop

ALU LIKE, Inc.

Fall 2022

Build up your skills to help your child excel in STEM!

Join us in our Parent Workshop series! The Ka Pilina No'eau II parent workshops teach mathematics concepts through Hawaiian and local culture to help parents become more confident in supporting children's math and science learning at home. Our hands-on activities can be easily done at home and can be applied to everyday activities.

Tentative Schedule

Open House (in-person)
September 26, 2022, Monday
5:30-7:30 in the Pauoa Elementary cafeteria

1 hour weekly virtual sessions
You pick one day to attend, either Monday or Friday, times TBA

Oct. 10 or Oct. 14

Oct. 17 or Oct. 21

Oct. 24 or Oct. 28

Oct. 31 or Nov. 4

Nov. 7 or Nov. 11

Nov. 14 or Nov. 18

Nov. 21

Nov. 28 or Dec. 2

Dec. 5 or Dec. 9 (1.5 hrs)

Participants will be polled to determine the best virtual implementation times.

Who can participate?

Parents/Caregivers of Pauoa Elementary students. Priority to Kindergarten and Grade 1 parents.

ALU LIKE, Inc.

Registration

Deadline to register is Sept. 19, 2022.

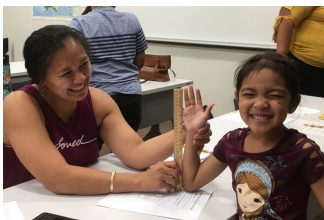

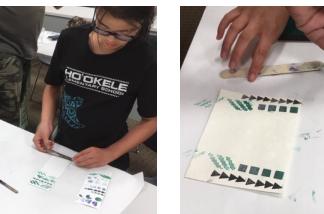

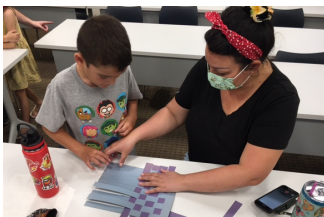

Are there any fees?

The workshops are FREE and your child/ren are welcome to come together.

Past Event Photos

Did you get snapped at our last event? Check out the photos below and also our social media to see if you were snapped!

Why should we come?

Try out STEM activities to do with your children at home, meet parents, and gain tips on how to support your child in STEM!

Requirements

Parents must sign consent forms to participate. Kindergarten and Grade 1 students whose parents participate in the KPN2 Parent Workshop series will have priority enrollment in our KPN2 afterschool classes (beginning November 7). Priority does NOT guarantee acceptance, and classes are contingent upon available teachers.

What else will I get?

You will receive \$10 for each session you attend. You will also receive math and science activity kits to use at home (\$100 value) Lunch/dinner will be provided during our in-person sessions.

What do parent participants have to say?

"We learned about pattern, algorithms other math subjects, new ways of doing math and connections to the Hawaiian culture. We enjoyed learning through activities rather than instruction."

Questions or comments? Contact Yoko at kitami@hawaii.edu.
