Dear Pauoa Ohana,

Happy New Year!!! I hope you all had a wonderful Winter Break spent with family and friends filled with precious memories that will last a lifetime. The best are those small things or moments spent with our family.

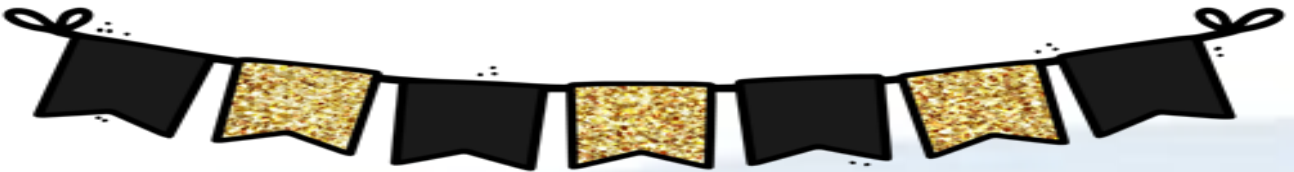

We welcome 2023 with open hands as we partner with one another to make Pauoa the best educational setting for all students. By giving your child a nice quiet space to study, complete their 45-75 minutes of iReady each week and/or weekend, signing their planner and checking that they have completed their homework, reading every day and taking a genuine interest in their education by asking to tell you about their day, you have just given your child the best opportunity to succeed. Create this nice time to converse with your child without any possible distractions with our devices. This time spent with your child will go a long way in creating a positive relationship with your child.

Lastly, as we head into January, it is time to submit your Geographic Exception forms (GE) for families who live outside Pauoa's boundaries and want to come to Pauoa. **This is for new students wanting to come to Pauoa.** If you know of friends who are looking for a school in town, please let them know to fill out the GE form, get the principal to sign it and turn in the GE form to Pauoa EL starting January 1, 2023.

PRINCIPAL ARAKAKI'S MESSAGE

Kindergarten GE process starts on February 1, 2023. They must register their child at their child's home school first, fill out the GE form and turn in to their child's home school or get the principal to sign the GE form and finally turn in to Pauoa starting on Feb. 1 for new incoming Kindergarteners who will turn 5 by August 1, 2023.

For our outgoing 5th graders, you will need to fill out a new GE form for middle school and have me sign the GE before submitting to the middle school of your choice. If you have any questions regarding GE's, feel free to let me know.

Let's continue to work together in partnership and as always, "Believe to Achieve! Stand up! Be heard! Let's excel now!"

Aloha,

Dale Arakaki, Principal

Our second round of Parent-Teacher conferences will be on Wednesday, February 8. If a conference is necessary, your child's teacher will send home a Request Form for you to fill out. Please be sure to fill it out and return it right away.

Session 3 after school tutoring and programs start the week of January 9. If your child turned in a form, a confirmation letter or waitlist letter will be sent home on January 5 or 6. A couple of reminders: if your child is going to miss their after school class, an adult needs to let their homeroom teacher, the front office, or me know, and please make every effort to pick up your child on time.

If you registered for an after school program online (flyers of the 4 classes were attached to the after school packet sent home), any questions can be directed to the email they provided. If you haven't signed up yet and are interested, you can still register!

Report cards will be sent home on Wednesday, January 18. If you have any questions or concerns about your child, please do not hesitate to contact your child's teacher.

Coming back from a long break is a difficult transition for some children. Having a routine for homework, bed time, and getting ready in the morning will help your child with this transition and be successful in school. Thank you in advance for your support at home.
