Principal Arakaki's Message

Dear Pauoa Ohana,

2023 is flying by very quickly. I am so blessed with the partnership that we have with the home and school. Thank you families for your continued support with working with your child at home and providing them the space to learn and grow. I am appreciative for your efforts in checking their planner, signing it acknowledging that your child completed his/her homework for the day, and making sure your child accesses iReady each week. Please make sure that your child completes 45 minutes per week or more if on grade level (green), 60 minutes per week or more if less than one grade level behind (yellow) and 75 minutes or more if more than one grade level behind (red).

February brings much love and blessings to our school and families with Valentine's Day and President's Day (no school, Feb. 20). We are working on kindness in our school as our students came to know how to be a bucket filler during our SEL classes. Our students are aware of looking for kindness in and around the classroom/school as they can nominate a kind act they witnessed and fill their class bucket or buckets around our campus like the office, cafeteria and library. Have a conversation with your child about how they are being a bucket filler at Pauoa.

Lastly, February also means kindergarten registration. If you know of a child who will turn 5 by July 31st of this year, remind them to register their child at Pauoa. If they do not reside in our district, they will need to apply for a Geographic Exception. Forms are online or at our school office. In order to register, you will need to provide some documents such as a rental agreement and utility bill in order to register your child. See our website for more information. Have a blessed month.

Aloha,

Dale Arakaki, Principal

GRADE LEVEL NEWS

Preschool: Ms. Shigematsu (DI)

Hi Pre-K Parents!

We are in the second month of the new year and the students are having lots of fun! The students got to enjoy a HTY play "Happy, Sad, Sad, Happy" in our cafeteria and they really enjoyed it. We also got to see the Lion Dance for Chinese New Year!

In an effort to keep our kids healthy, we ask that you practice with your child washing their hands whenever it is needed, show your child how to cover their cough or sneezes by using the inside of their elbow, and wiping their noses with a tissue.

Don't forget if your child is out for any reason to please call the school office and let them know they will be absent.

Reminders:

- Homework due end of the week
- Check your child's Take Home Folder for any flyers or paperwork that needs to be filled out

Thank you,
Ms. S

Kindergarten: Ms. Derby (D2), Mrs. Hamada (D3), Mrs. Salcedo (D4)

Aloha Kindergarten 'Ohana,

We want to give a huge shout out to our kindergarteners who celebrated their first 100 days of school at Pauoa on Friday, January 27th! We are so proud of all that you have accomplished so far and can't wait to see you continue to learn and grow!

Now that we are in the second semester of kindergarten we are really focusing on applying all the basic foundational skills learned in the first semester to more complex academic situations. The academic rigor and expectations of what your child needs to be able to do by the end of kindergarten continues to increase in the second semester. Please stay safe so your child can be in school every day so they can make the most of their learning time.

Aloha Families,

We are making our way through our third quarter! This month, we will continue to read informational text and learn about a variety of topics. Your child will be researching a topic (ex. An animal, plant, life cycle, person, etc.) and produce an informative writing piece. For math, we will continue to practice addition and subtraction strategies and adding multiples of ten. Please continue to read with your child and practice sight words daily. Just a friendly reminder, there is no school on 2/17 and 2/20.

Mahalo,
Grade 1 Teachers

🌸 Aloha Grade 2 families! 🌸

This month students will be working on...

- **Reading:**
 - Comprehending literature stories (sequencing and finding the theme)
 - 📝 Learning how to take notes
 - Comprehension strategies
- 📁 **Informational Writing:**
 - able to write several paragraphs about a topic using their own words
- **Math (Stepping Stones):**
 - Polygons/Quadrilaterals
 - Equal groups
 - Arrays
 - Geometry: 3D shapes
 - Money: Dollars and cents
- **Science:**
 - 🐝 Pollination
 - 🌱 Where do plants grow best

Please continue to work at home...

- **+ - add and subtract facts up to 20 by memory**
- 📖 **Read** grade level rich books (chapter books) daily
- 💻 **Complete i-Ready lessons**

Sincerely,

Grade 2 Teachers 🧑🏫

Grade 3: Mrs. Wong (D6), Ms. Newberry (D7), Mrs. Lau (D8)

Aloha 3rd Grade families!

Days are just flying by! In reading, we are continuing to read a variety of informational texts, focusing on context clues and the author's point of view. In math we will be focusing on solving word problems with the four operations (addition, subtraction, multiplication, and division).

This quarter, we will also start our Smarter Balanced Assessment (SBA) preparation. Please support your child and encourage them to do i-Ready reading and math lessons, read a book, complete their math homework and reading fluency assignments daily. All of these assignments support your child's continued growth and progress. Please contact your child's teacher if you have any questions or concerns.

Thank you so much! 😊

Friendly Reminders

Field Trip: Grades 4 and 5 will be attending "The Lightning Thief" play at the Hawaii Theatre on February 15. Our very own fourth grader, Daxson Chock, will be a part of the cast along with his sister Aria who is in the 5th grade. We are so excited to see them perform. Covered shoes are required and a red or Pauoa school shirt is encouraged.

Planner and Test Signatures: The planner is an organization and communication tool for students, parents, and teachers. Please have your child develop a habit of showing their planner to you each day for your review of homework and any notes. Please sign it daily. Tests and other assessments may be sent home to inform you of your child's current learning and performance. Please review these items, sign and return.

Treats and Goody Bags: This is a friendly reminder that peanut items are not allowed for birthday celebrations or holidays such as Valentine's Day.

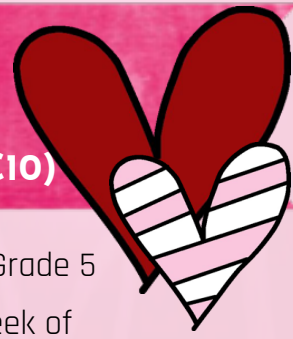

Headphones: We are requesting that headphones or earbuds be sent to school for online work and online reading for all students. It is challenging for students to focus on and complete their work when multiple iPad sounds are on. In addition, it is required for the upcoming standardized testing in March. If you are unable to provide one, please write us a note in the planner and we will do our best to provide one.

Thank you for your partnership. Kung Hee Fat Choy! Happy Valentine's Day!

GRADE LEVEL NEWS

Grade 5: Mrs. Takahashi (C8), Ms. Luong (C9), Mrs. Oliveira (C10)

Happy Lunar New Year!! We are now half way through the school year and Grade 5 testing is right around the corner. The first round of NGSS science testing is the week of February 21st, 2023. Please be sure your child is in school that week and to bring headphones for testing.

Second round of parent/teacher conferences will be on Wednesday February 8th. If your child's teacher has notified you and given you a conference form to fill out, please remember to come to conferences at your specified time.

As Valentine's Day approaches, please remember that due to safety protocols, food treats must be store-bought for distribution.

Reminder:

RESOURCE ROOM

B2: Mrs. Sumida/Mickelson (sub), Grades K-3

B7: Ms. Oyama, Grades 4-5

Aloha B7 Families,

This month we are extending our knowledge of fractions and multiplication facts through new strategies and different types of word problems. We are working on a mini informational writing about an animal using research from a website. Our class is also strengthening friendships by welcoming others to play and practicing friendly conversations!

Some reminders~

- Conduct a daily wellness check every morning before coming to school
- Bring a water bottle and necessary supplies to class
- Bring a jacket to school
- Come to class ready to learn with a positive attitude!

Mahalo,
Ms. Oyama

Social Emotional Learning SEL Teacher: Mrs. Fong

Aloha Parents,

In S.E.L. classes, students in grades K-2 continue to understand his/her emotions, what to do if he/she becomes frustrated, angry or have a strong feeling and how to calm down. In grades 3-5, students are creating a skit to perform in front of their class to demonstrate strategies/lessons that were taught in S.E.L.

Our schoolwide book, "Have You Filled A Bucket Today?", has been read to each classroom. There is a classroom bucket which students and adults can write notes of gratitude or how they showed kindness to someone. A bucket has been placed in the office and cafeteria to fill as well! Let's all be a bucket filler!! 'Kindness changes everything.'

Mahalo,
Mrs. Fong

Technology Coordinator/Computer Science: Mr. Sutherland

Aloha Pauoa Ohana,

I am often asked why it is important to teach computer science to elementary school students. My answer would be that teaching computer science to our students is essential for their overall development and future success. For children born in the digital age, computer science is not just a desirable skill but a necessary one that helps children develop important 21st century abilities such as problem solving, critical thinking, and creativity. A strong foundation in computer science can lead to numerous career opportunities in technology and other industries, and it also promotes digital literacy and responsible use of technology. By teaching computer science to the students of Pauoa from an early age, we can help close the digital divide and ensure that all of our students have equal access to the opportunities presented by technology. As technology continues to play an increasingly important role in society, learning computer science helps future-proof our students and ensures that they are prepared for the challenges of the future.

Mr. Sutherland,

February greetings to everyone!

I hope this bulletin finds you and your family happy and healthy. Just a couple of things:

SQS

A letter about the **School Quality Survey, SQS**, was sent home on January 9. The SQS measures your perceptions of the safety and well-being of your child and your satisfaction and involvement/engagement with the school. The **deadline** for the survey is **March 10, 2023**.

We are looking for 100% participation! We encourage you to fill out the survey because your feedback is important to us and we use the information to help us improve. Your responses are anonymous.

If you haven't taken the survey yet, here is the link:

<https://www.surveymonkey.com/r/2023SQSParent>

Or, here is the QR code:

If you do not have internet access at home, there is a laptop in the front office that is set up for you to use.

Please remember the **deadline** for the survey is **March 10, 2023**.

Thank you very much to those of you who already took the survey. Remember to complete 1 survey per child.

3Rs

Pauoa was selected as a site for 3Rs School Recycling Drive!

Mark your calendars for **Saturday, April 29!**

This is an opportunity for our school and community to easily recycle a variety of items (please see the attached flier). We can declutter and at the same time, help our environment and fundraise for our school (our school will receive the proceeds from select recycled material)! More information to come, but in the meantime, start collecting your items and spread the word to your friends and family!

Take care and be safe,

Ms. Nakamura
