Principal Arakaki's Message

Dear Pauoa Ohana,

We are coming down the home stretch as we are in quarter 4. We continue to progress through the pandemic as our students continue to work hard in the classroom, teachers making the necessary adjustments in their instruction, and our strong home/school partnership. Continue to invest in your child's education by being involved, providing the structure and space at home for your child to thrive and stay connected through our monthly Ohana Bulletins and weekly Pauoa Blasts.

Our students in grades 3-5 will be taking the Smarter Balanced Assessment which is the Department of Education's statewide assessment in mid to late April and early May. Be sure to be on the lookout for some reminders from your child's teacher as the time gets closer. Make sure to have your child have a good night's rest, be on time for school, eat a healthy breakfast and come with a positive attitude. We wish all of our grade 3-5 students much success on this assessment.

Lastly, thank you Pauoa Ohana for your generous donations for our Pauoa Fitness Challenge and a big MAHALO to our Pauoa Ohana PTA for planning the event. Also a big shout out to all the volunteers who helped set up, take down and to Mr. Curtis Aiwohi for doing the obstacle course during our Pauoa Fitness Challenge. We couldn't do it without this partnership. Next up is our Rummage Sale on April 22 and our Pauoa eWaste event on Saturday, April 29. More information forthcoming. Mahalo for partnering with one another to create that ultimate learning environment for our children. Let's continue to, "Believe to Achieve! Stand up! Be heard! Let's excel now!"

Aloha,
Dale Arakaki, Principal
"Believe to Achieve! Stand up!
Be heard! Let's excel now!"

PAUOA OHANA PTA

Aloha Pauoa Ohana -

Thank you to all of the parent volunteers that helped to make the Pauoa Fitness Challenge a success. Special mahalo to Malia Mariko who designed the Fitness Challenge T-Shirt and Curtis Aiwohi who volunteered his time to create our obstacle course for our children to go through. It was such a blessing to see everything come together. The children worked so hard to collect the donations and had a lot of fun walking and running the course. Please join us for our next in-person meeting at the school library on Tuesday, 4/4/23 @ 5:00 PM as we finalize the rummage sale coming up on Saturday, April 22nd. For questions, please email PauoaOhanaPTA@gmail.com or Call 808-478-6909.

THANK YOU

*Thank you very much to Reese
Maeyoshimoto and Family for
the delicious Chocolate Matcha
and Strawberry Mochi.
Everyone in the office enjoyed it!*

Happy April everyone,

After school programs

After school programs have been running for 3 weeks now. It is so heartwarming to see our students participating and enjoying themselves in these extracurricular activities. Thank you for your continued interest in our after school programs. We are working on finding more classes to offer our youngest students, K-2. If you know of anyone who would like to run a program next school year, please let me know! Any help would be greatly appreciated.

A friendly reminder- if your child is enrolled in a program provided by outside services, please call or email them directly with questions you have about the class. We will not always have the details or answers that you seek as they take care of the class from registration to teaching.

The Dance Bomb Academy's Hiphop class for K-2 was canceled this session due to not enough students enrolling in the class. We will try again next school year!

3Rs

A reminder that Pauoa will be hosting a 3Rs Recycling Drive on campus this month, April 29, from 9:00am-11:00am. Please see the flier in this bulletin for more information. Information is also posted on our school's website and PTA's Facebook page.

I am looking for **5-7 adult volunteers** and **6-8 student volunteers** (gr. 3-5) to help with our recycling drive on the 29th. If you are able to volunteer from 8:30-11:00, that would be great! If you want to volunteer, but are unable to stay the entire time, your help is still welcomed. Please let me know if you are interested.

Thank you families for continuing to support your children at home. We cannot do this without you! Please reach out to us if you need our help.

Take care and be safe,

Ms. Nakamura

Preschool: Ms. Shigematsu (DI)

Hello Parents,

We had such a blast at our Pauoa Fitness Challenge! The students loved getting active and watching their peers have a blast. Thank you to everyone who helped our little friends run the course around our school.

We are almost at the end of our school year and time sure has flown by. Some of our friends will be returning to Preschool next year, some will be moving on to Kindergarten. We are trying to make as many memories together before the year comes to an end.

Reminders:

- Conduct a daily wellness check every morning before coming to school
- Read to your child daily
- Check your child's Take Home Folder

Thank you,
Ms. S

Welcome back Kinder Families!

We hope you all had a wonderful, restful spring break with your loved ones. We are so excited to be back for one last quarter together! We kicked off this 4th quarter with our Timeline Project presentations. It was such a great way for our kinders to come back together and share stories as well as significant events in their lives! They were able to make lots of connections and comparisons, and they learned even more about one another! This quarter will be a continuation of applying our knowledge and skills across content areas, and bringing our ideas to life as we plan, design, construct, and reflect through more project work! We are so proud of our kinders for their participation in our Pauoa Fitness Challenge! It was a great way to celebrate fitness and practice exercise! Let's make this last quarter the best one yet!

Aloha First Grade Families!

We are in the final quarter together! Before Spring Break, we had workers from the Bank of Hawaii come talk with the first graders about needs and wants as well as communities. It was a great experience!

This quarter, we will be finishing and reviewing our first grade standards to prepare your child for second grade. Your child's third quarter report card will be sent home on April 4th.

During the month, your child will be attending four sessions of a STEM Pop-Up Lab that is coming to our school. They will be engaging in hands-on activities and exploring a unit on coral conservation. In this last quarter, your child will also be learning about different community leaders and their responsibilities.

Towards the end of the month, all first graders will be taking their final iReady diagnostic tests for both Reading and Math. We're looking forward to the last quarter of fun with our first graders!

Thank you,
First Grade Teachers

April showers 🌧️ bring spring flowers! 🌸

We are in our 4th Quarter of the school year! As the school year comes to an end, please continue to support your child so they can be successful in 3rd grade.

- Reading fluently (smoothly with rate and expression)
- Comprehend what is read
- Writing: organization, elaboration, language, and conventions
- Fluently (by memory) add and subtract within 20

REMINDER: The last 🎮 i-Ready diagnostic assessment will be taken towards the end of April or early May. Please continue to do **i-Ready Reading and Math lessons** at home to prepare for our upcoming final diagnostic.

Aloha 3rd Grade families!

Wow, it's already April! Here's what we will be working on this month! In reading we are continuing reading both literary and Informational texts, focusing on comparing and contrasting texts, as well as connecting words and pictures. In math we will be focusing on solving multi-step problems, place value, money, and subtraction. Please continue to have your child practice their basic multiplication & division facts at home. We are also encouraging students to do iReady lessons at home if a computer or ipad is available.

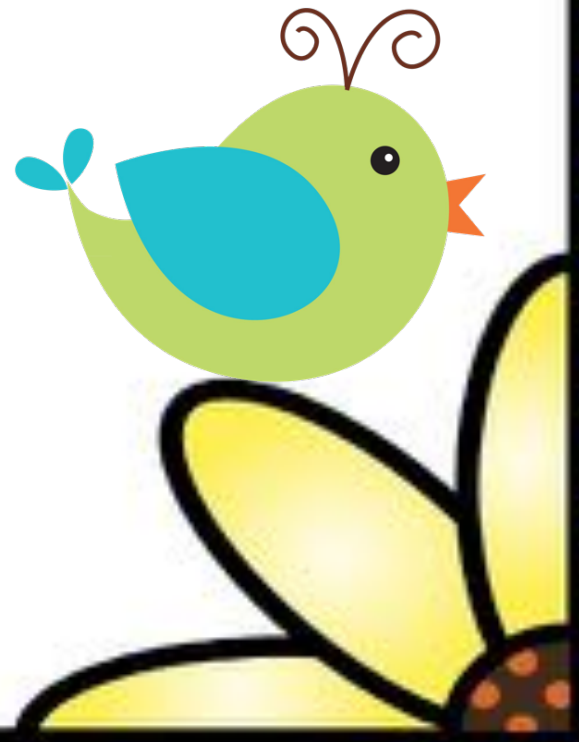

As a reminder, this quarter we start our Smarter Balanced Assessment (SBA) preparation. If you have time at home please, visit the website and get acquainted with these smarter balanced assessments with your child. There are example questions and a practice test for your information and usage, if you choose to do so. These practices will help your child be even more prepared for the assessment that is coming up at the end of the school year. Here is the website: [Starting Smarter 2023 Website](#)

Please contact your child's teacher if you have any questions. Thank you so much for supporting your child! 😊

Grade 4: Ms. Chung (B8), Mrs. Chanhboursy (B9), Mrs. Takesue (B10)

Welcome to the 4th quarter! Hopefully everyone had a rejuvenating spring break. As we enter the last quarter of the school year, we want to continue to work hard 😊 and persevere through the preparations for the Standards Based Assessment (SBA). Grade 4 will begin to administer testing at the start of May. We ask that you please continue to support your child with their daily routines:

- Planner signature
- i-Ready HW
- Practice multiplication fluency
- Read 20 minutes
- Eating breakfast
- Arriving to school on time

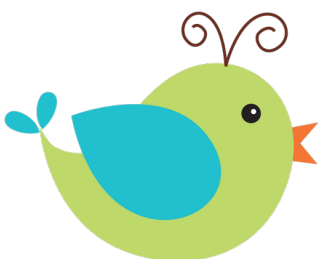

Lastly, on April 14th, Grade 4 will be heading to Roosevelt High School to cheer on their classmates competing in the invitational Track Meet. We will be leaving in the morning and returning back to school in time for lunch. Please help us by reminding your child to do the following-

1. Wear shoes
2. Bring water bottle
3. Wear Pauoa shirt
4. Hat
5. Sunscreen

If there are any questions please reach out to your child's homeroom teacher.

Grade 5: Ms. Luong (C8), Mrs. Takahashi (C9),
Mrs. Oliveira (C10)

Aloha 5th grade families!

Fourth quarter is here! In our last unit for science, we will be working on mixtures and exploring food science. Within our unit, students will be refining their scientific writing by making claims, using evidence to back up their claims, and explain their reasoning. The focus in Social Studies for this quarter will be the events leading up to the Revolutionary War. This will bring insight on how our country became independent. In math, we will continue to finish up on 5th grade concepts and review for the SBA coming up at the end of April. For ELA we are working on writing fictional narratives, covering figurative language and identifying point of views.

Please be sure to encourage your child to remain steadfast with their learning mindset, completing all classwork and homework assignments with quality, and continue to have a positive attitude. The students are striving to be independent in their academic skills, work habits, and actively engaged in their learning. This is essential for achieving success as they transition into middle school.

Social Emotional Learning SEL Teacher: Mrs. Fong

Aloha Parents,

April is here and we're almost at the end of school. Grades K-5 will continue to go over empathy and emotional management. We have shout out Wednesdays, highlighting kindness notes written by students which teachers send in to be announced during lunch.

Let's continue to show kindness and empathy towards each other.

Mahalo,
Mrs. Fong

Technology Coordinator/Computer Science: Mr. Sutherland

Aloha Pauoa Ohana,

During the 2nd semester, our kindergarten students have been using Tynker Jr. to improve their coding skills. Tynker Jr. is an icon-based coding program. The user interface is designed to be simple and easy to use, which makes it accessible for kids who are just starting to learn how to use a computer. Tynker Jr. offers a range of activities that are age-appropriate, visually appealing, and designed to capture kids' imaginations. Tynker Jr. is also beneficial for kids' development, as it helps them develop key skills such as problem-solving, critical thinking, and creativity. By engaging with coding concepts and learning how to sequence and organize instructions, kids develop logical reasoning and analytical skills that can be applied to many areas of their lives. Moreover, Tynker Jr. fosters social and emotional learning by promoting teamwork, communication, and collaboration. You can learn more about Tynker Jr. at: <https://www.tynker.com/mobile/apps/tynker-junior>

Thank you,
Mr. Sutherland

Thank you Pauoa Ohana PTA for hosting and organizing different activities throughout the year. Rummage sale is coming up on April 22nd. Also, don't forget 3Rs Recycling Drive will be on April 29th. Thank you so much for your continued support!

Health Aide: Mrs. Ladines (Front Office)

Five challenges to a healthier life:

1. Stay Hungry - allow yourself to experience that feeling longer than normal. Going periods without food can increase your body to burn through dead and damaged cells that are linked to chronic health diseases.
2. Turn Off The TV - Two minutes of silence can help to greatly lower your blood pressure.
3. Lower Your Thermostat - Cold temperatures aide our bodies to burn fat and balance our core temperature to keep us warm. Push your comfort zone slowly, to help with weight loss.
4. Walk Farther - Adapt small, effortful wins into your daily routine for a longer life.
5. Break Your Routine - Stay open, continue to be curious, and practice doing or learning something new every day (like our keikis) to lower your risk of dementia.
