Coding Camp

Keiki Coding Video Game Creation

Enrollment is now open for Twiddle Productions Keiki Coding class, an incredible summer program designed to introduce Keiki to the world of coding! Hosted at Pauoa Elementary's summer school, this engaging class promises to provide your child with a fun and educational experience. Our experienced instructors will guide your child through hands-on activities, teaching them foundational coding skills and igniting their imagination as they embark on the thrilling journey of creating their own video games. From designing characters to crafting interactive gameplay, your child will be empowered to bring their unique ideas to life in an exciting digital world. With a focus on personalized attention and a supportive environment, Keiki Coding offers the perfect opportunity for your child to explore the exciting possibilities of technology. Sign up now and get ready for a summer filled with learning, creativity, and the exhilarating joy of game development!
