

**COVID-19-like Symptoms of Illness and Return to School Criteria**  
School Year 2020-2021

If you or your child has any symptoms of illness, stay home. If someone develops symptoms at school, the person will be sent home immediately. If the person who is ill needs to wait for pick-up, he/she will be isolated in a supervised area away from those who are well.

\_\_\_\_\_ has the following COVID-19-like symptoms on \_\_\_\_\_:  
 First and Last Name Date (mm/dd/yyyy)

- |   |                              |
|---|------------------------------|
| × Fever (100°F or higher)                     | × Headache                   |
| × Chills                                      | × New loss of taste or smell |
| × Cough                                       | × Sore throat                |
| × Shortness of breath or difficulty breathing | × Congestion or runny nose   |
| × Fatigue (tiredness, weakness)               | × Muscle or body aches       |
| × Nausea or vomiting (stomach ache)           | × Diarrhea                   |

Return to School Criteria for COVID-19-like Symptoms of Illness (Must meet ALL three criteria in one of these columns)		
Negative COVID-19 Test	Doctor's Note	At Least 10 Days
<input type="checkbox"/> Proof of a negative COVID-19 test result <input type="checkbox"/> At least 24 hours have passed since last fever without the use of fever-reducing medication <input type="checkbox"/> Symptoms have improved	<input type="checkbox"/> A signed note from a licensed healthcare provider <input type="checkbox"/> At least 24 hours have passed since last fever without the use of fever-reducing medication <input type="checkbox"/> Symptoms have improved	<input type="checkbox"/> At least 10 days have passed since symptoms first appeared <input type="checkbox"/> At least 24 hours have passed since last fever without the use of fever-reducing medication <input type="checkbox"/> Symptoms have improved
Return to School Criteria for Someone Who Tests Positive for COVID-19 (Must meet ALL three criteria)		
<input type="checkbox"/> At least 10 days have passed since symptoms first appeared or if there are no symptoms, at least 10 days have passed since the date when the positive test was conducted <input type="checkbox"/> At least 24 hours have passed since last fever without the use of fever-reducing medication <input type="checkbox"/> Symptoms have improved		

Please consult with your primary healthcare provider. If you do not have one, please see the following options.

- A student enrolled in a HIDOE school is eligible to receive free healthcare from a Hawaii Keiki Nurse by calling (844) 436-3888. The Hawaii Keiki Health Hotline is available Monday-Friday from 8:00 a.m. - 3:00 p.m., excluding holidays.
- Community health centers serve all patients regardless of their ability to pay or their health insurance status. See the list below to find a community health center near you.
